Welcome to the May issue of our CorasWorks newsletter. This month always reminds me of a joke: If April showers bring May flowers, what do May flowers bring? The answer: Pilgrims. LOL, right? (If you're not familiar with U.S. history, check Wikipedia and hopefully you'll see why the joke is funny.) At CorasWorks, we're fresh out of pilgrims, but we got a lot of other stuff going on.

**5/25 Half-day Seminar:****U.S. Marines,  
U.S. Navy & the  
Department of  
State Drive  
Business Value
